Mr. George Gerber

As a way of saying thanks for fourteen years of outstanding leadership, the Class Of 1967 dedicates this volume of the CORINOMA to Mr. George Gerber. While many trite superlatives could be used to describe Mr. Gerber's influence on most of us, only the most important aspect of his leadership, the lack of a double standard, needs mention. He not only sets forth certain standards by which students should conduct themselves, but he lives by those principles himself.

As a teacher Mr. Gerber shows the same dedication that he does as a coach.

Since 1958 when his team won the County Track Championship, Mr. Gerber's teams have not lost.

In short, Mr. Gerber asks students to do little that he would not do--whether in the classroom or on the athletic field. The results of such leadership has been phenomenal, especially in track and cross country where his teams have dominated the local scene for years. Although his direct, positive influence is harder to see in his earth science and geography classes, Mr. Gerber's same tireless energy, coupled with the perfectionist's eye for details, ensures his also being a successful leader here.

In 1961 Coach Gerber was instrumental in cross country's becoming a sport at ACHS.

Dennis Weidler, Wayne Tshudy, and Greg Colvin battle to stay up with the leaders during a dual meet in League competition.

It was the same old story in the Lebanon-Dauphin Cross Country League as Annville-Cleona and Lower Dauphin once again fought it out for the dual meet championship. In head-to-head competition each team beat the other on the opponent's course; thus, they shared the Dual Meet Championship. Coach George Gerber's harriers, however, used great team depth to successfully outdistance the field in retaining their League Meet Championship.

Action is fast and furious as the Little Dutchmen rush to the attack.

The high points of an otherwise dismal season for the AC booters occurred when the Little Dutchmen displayed their best form in hustling to stalemates with both Tulpehocken and Elco, and Burks and Lebanon County Champions. In addition to these spirited team efforts, Terry Waltz and Art Miller won individual honors in being selected to first-team berths on the County All-Stars.

AC Football Team Is Undefeated

As it prepped for its initial varsity season in 1967, the Annville-Cleona football team completed a highly successful year of jayvee competition with only a tie to mar an otherwise perfect slate. Basketball Team Breaks

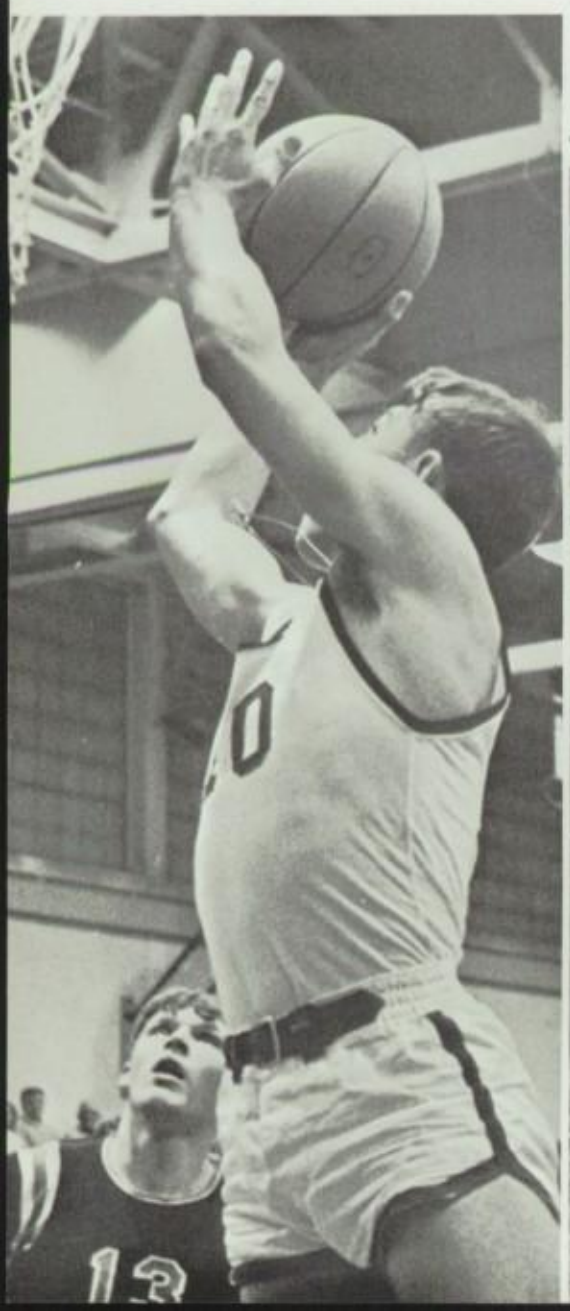
Richie Henning and Tom Keller, AC's top backcourtmen, show their hustle.



Even in Initial

AC's varsity basketball team finished its first season in the CAC by breaking even in eighteen games; in addition, the team also broke even in its four non-league games. While eleven wins and eleven losses is not a spectacular seasonal record, the team did have some outstanding successes including its fine overtime win over Cumberland Valley, the only first half loss suffered by this aggregate. It was hoped that this fine victory would propel the team to greater heights, but despite the efforts of co-captains Harold Habecker and Art Miller, the team never reached its potential.

Tennis Team Suffers Losing Season During Rebuilding Year

Depth Enables Track Team to

While winning track championships at AC has produced a rather commonplace, ho-hum attitude on the part of many individuals, such was not the case with this year's team members, coaches, and dedicated fans. They realized that maintaining a winning tradition is perhaps the most difficult task in the sporting world.

Honed to reach its peak early in the season, the track team nipped a strong Cumberland Valley aggregate 76-74 in its second dual meet of the conference season. Despite the fine balance of the league, the remaining dual meets were captured in decisive fashion although few individual performances improved because of the adverse weather conditions. After repeating as undefeated CAC Dual Meet Champions, the Little Dutchmen went on to catch their "second wind" as they were victorious in "the one that got away"--the CAC League Meet Championship.

In a CAC dual meet Terry Waltz beats teammate Jim Karsnitz to the wire in the hundred yard dash. One of the many fine underclassmen on the team, Terry

AC's lone representative to the State Meet where he took a fourth place medal, high jumper, Jim Karsnitz set a school record of 6' 3 1/4" in placing second in the District Three Meet. Until suffering this defeat, Jim was all-victorious, having been undefeated in both dual and special meet competition. In the latter category, he captured first place in his specialty in the Shippensburg, CAC League, and County Meets.

The best weightman in ACHS track history, Rich Klopp holds the school record of 52' 3" in the shot-put; in addition, he also has thrown the discus further than any other Little Dutchman (excepting teammate Bob Wentling) with a toss of 149' 3 1/2" to his credit.

Hampered by being placed in a slow heat, AC's mile relay team--consisting of Greg Colvin, Terry Waltz, Rick Wartluft, and Harold Habecker--still set a school record in the District Meet with an excellent time of 3:30.9.

did an excellent job whether he was broad jumping, sprinting, or running anchor on our relay teams.

One of the track team's best natural athletes, Jan Behney excelled in the javelin throw in which he established a school mark of 171' 9 1/2". Jan, whose biggest victory was in the CAC League Meet, also ran a fine leg on the 880 Relay Team.

Although only a sophomore, Bob Wentling's performance throughout the year marked him as a potential champion in his speciality the discus. Setting a new meet and school record with his toss of 149' 9 1/2" in the CAC League Meet, Bob's first place performance helped spark the Little Dutchmen to victory.

Fine Team Opposition CAC League Meet

In one of the strategic events of the CAC League Meet, AC's Two Mile Relay Team--consisting of Guy Hitz, Dennis Weidler, Greg Colvin, and Harold Habecker--won in a meet and school record time of 8:24.4.

Undoubtedly, this victory gave the Little Dutchmen the necessary impetus to overwhelm the opposition.

Despite breaking his pole midway through the season, John Sollenberger, AC's best vaulter, captured valuable points for the team in dual meet competition.

Although not having done exceptionally well in the season's special meets, adverse weather hampered the team's results considerably; for example, the County Title was practically clinched in the Lebanon News Relays before a torrential downpour postponed the meet. Similarly, only the shotput relay team competed in the Cedar Cliff Relays because of weather conditions. In addition, AC had to take a back seat to very few in the Shippensburg Invitational and District Three Meet as in each instance it finished fourth in a field of fifth Class B schools.

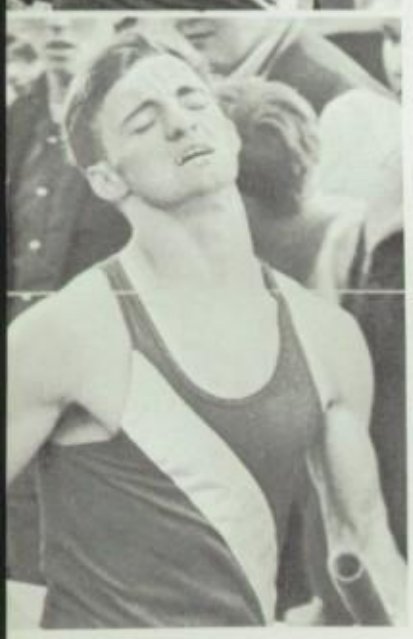
Holder of the AC two mile record, Jim Colvin set a new County record in his specialty the two mile and also took second place in the CAC League Meet.

Left: Making a tremendous stretch-drive as a performer in the triple jump, Bruce Watts won second place in the CAC League Meet. Later, Bruce finished second and third in the County and District Three Meets, respectively. Right: Second best shotputter in AC history with a toss of 48' 5 1/2", Sophomore Al Gibble displayed the type of dedication befitting a future champion.



Shown anchoring the winning two mile relay team in the County, Harold Habecker ran well in the 440 and 880 during the season whether as an individual or as a member of a relay team.

Senior and Junior High Track

In addition to anchoring the second place 880 relay team and the first place mile relay team, Rick Wartluft also won the 440 in the County Meet.

3	Palmyra	2
3	Norlebco (playoff)	0

In one of the tightest races in the history of the County Baseball League, AC's fighting team made a successful drive to catch the season-long leader Norlebco; then the Little Dutchmen decisively defeated the same team in a playoff for the County Championship. In the process of winning the last few crucial games, the AC nine had to win a replay of a protested game with Cedar Crest with a come-from-behind rally in the seventh inning. Throughout those pressure filled games, the team, led by the clutch hurling of Don Bowman and Art Miller and the hitting of George Ruth, Rich Henning, and Bill Stover, played fine ball in bringing a well-deserved and long-delayed baseball championship to the school.

Although he started the season as an outfielder, Bill Stover did an excellent job backstopping the team to its championship.

Charley Hontz scores one of AC's runs during its big seventh inning rally during the makeup of the protested game with Cedar Crest.

Stages Great To Capture Championship

Don Bowman and Art Miller formed a formidable one-two pitching staff for ACHS in its crucial games.

Prior to the continuation of the protested Cedar Crest game in the fourth inning, the Little Dutchmen confer at the mound before going on to its 6-1 victory.
